

Bob Sidoti

Bob Sidoti, PHC USN (Ret.) is currently the Federal Programs Manager for ESA South, Inc., a Service-Disabled Veteran Owned General Contractor in Cantonment FL. In this capacity Bob develops and manages relationships with ESA's federal clients which include: US Army Corps of Engineers, Naval Facilities Command, Veterans Affairs and NASA. Previously, Bob served as a Post President, Regional Vice President and National Board of Director for the Society of American Military Engineers. Bob also served on the Florida League of Defense Contractor Board of Direction prior to its merger with FDCA. Bob spent 22 years in the Navy as an aerial photographer before retiring in 2000 and joining the engineering and construction industry. In addition to numerous military schools and leadership courses, Bob holds a degree from Pensacola State College in communications and advertising.
